## OUR AFFILIATIONS

COLLEGE  
DE PARIS

**COURSE HIGHLIGHTS :** The course has been designed as per the requirement of the Industry. Courses include Certification, Diploma, Advanced Diploma, Graduation and Post Graduation Courses with semester pattern. It is a unique blend of classroom teaching, practical training and experiential exercises, field visits, extensive industry interface in the form of guest lectures, conferences and course modules taught by industry experts. All courses aim at cultivating multi-disciplinary skills of Fashion Design, Interior Design, Architecture, Photography, Mass Communication & Journalism, Communication skills and core disciplines. During the course students undertake Industry observation visits, they are sent to companies all over India to do live projects. Students will also undergo extensive practical training for 8-12 weeks of summer project work. The main aim is to develop in-depth knowledge of different concepts of their courses followed by 16 weeks of internship / Fashion Show leading to a dissertation in last semester of their course. Campus recruitments are done at the end of last semester of their respective courses.

**LEARNING AIDS :** The campus has full-fledged, well-equipped air-conditioned Lecture Rooms accompanied with facilities like Computer, Internet, Audio-Visual facilities and Office Automation aids, etc.

**FACULTY RESOURCE :** LGI currently has well experienced faculty members on its rolls. These resources have highest degrees of Applied Arts & Crafts courses and Industry experience in a wide range of disciplines and domains.

Our E-Library is one of the finest libraries with a rich collection of books, journals and Audio-Visual resources on various aspects of Functional and Sectoral facets of Fashion, Architecture, Photography, Mass Communication & Journalism Industry.

**OUTBOUND LEARNING :** The sessions in the classroom are complemented and supplemented by exposure visits that LGI organises for the students. Field Visits, Companies, Showrooms, and Applied Arts & Crafts organisations, Fashion Shows enable the students to understand and appreciate better, the concepts that they have been exposed to and gain a hands-on feel of the organisational challenges and situations typical of real-life scenarios.

**EXTRA CURRICULAR ACTIVITIES :** LGI organises/facilitates various curricular and extra curricular events such as fashion shows, conferences, workshops, competitions, fashion festivals, cultural programmes, get-togethers and sporting events, etc.

**ALUMNI :** LGI organises Alumni Meet every year which witnesses participation in large numbers. The meet offers an ideal platform for all the graduates of the programme to converge and connect with one another.

**MOOCs & MOODLE :** LGI has introduced MOOCs & MOODLE courses that enables the students to access study materials, submit assignments online, in order to strength academia and to improve the student thinking ability on their subjects. LGI also assists the students to undergo online classes. MOOCs also offers self-paced study, allowing students to complete course work and take tests on their schedule, etc.

**WORKSHOPS :** Lakhotia college organises creative and fun filled workshops for the students regularly to ensure lively teaching implementation and practical exposure. These workshops cover topics and modules which are industry oriented and can help students develop interpersonal and professional skills.

**AWARDS & RECOGNITIONS :** LAKHOTIA GROUP OF INSTITUTIONS (LGI), Hyderabad is only the Fashion Design College in India to receive National Award on "THE BEST CSR PROJECT IN WOMEN'S EMPOWERMENT."

**WI-FI ENABLED CAMPUS :** All LGI campuses have good computer network and dedicated High Speed Internet connectivity. All campuses are Wi-Fi enabled.

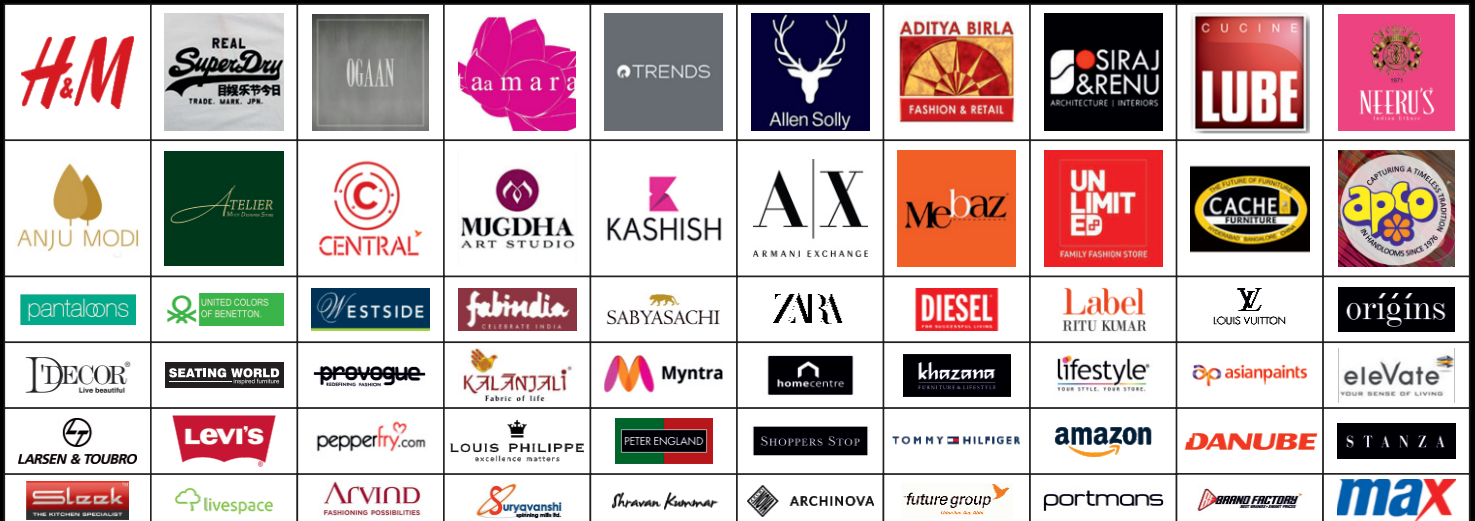

**R & D CELL :** "Research & Development Cell established at LGI promotes research, innovations, consultancy activities and also facilitates the protection of Intellectual Property (IP) thus generated at LGI". The aim of Research is to advocate and promote current and emerging applied Arts & Crafts research, including research into materials, processes, methods, concepts, aesthetic and style. This may be in any discipline area of the applied arts and crafts, including craft education.

**PLACEMENTS & TRAINING :** LGI Training & Placements Cell concentrate on career exploration, self-assessment, long-term career planning, and developing networking skills, in addition to job search strategies for the short-term. Along with an intense focus on students success, the Placement Cell is committed to creating and maintaining positive relationships with corporate employers. LGI-TPC team manages active relationships with companies that recruit students, working to ensure that the recruiting process is smooth, hassle-free and rewarding. In concert with administration, faculty-corporate relations and students, the TPC works continually to bring new companies on-grounds and to expand existing relationships. The TPC also maintains an intranet that facilitates many technical aspects of the job search, allowing students to manage their search electronically from computers on-grounds or online. Using the TPC site, students can research companies and contacts, search for employment opportunities, apply for jobs, sign up for company presentations, schedule on-campus interviews and much more.
